

# TITAN ROBOTICS SUMMER CAMP SCHOLARSHIP APPLICATION

Titan Robotics is proud to host an annual Alexandria STEM Summer Camp series. We would like **ALL** young students who are interested to have the opportunity to participate and be inspired to become science and technology leaders. FRC 5587 Titan Robotics has worked with community partners to establish a scholarship fund to help us to remove financial barriers to program participation.

Please fill out the application below for review and submit it with your camp registration.

Camper Name: \_\_\_\_\_

Camp selected: \_\_\_\_\_

Parent or Guardian Name: \_\_\_\_\_

Email for scholarship response: \_\_\_\_\_

Titan Robotics is happy to work with you to help your child participate.

Please **check** your scholarship request (the camp fee is \$215):

- **I would like to pay \$100.** I request a \$115 scholarship.
- **I would like to pay \$50.** I request a \$165 scholarship.
- **I would like the camp to be free for my child.** I request a \$215 scholarship.

We will review your request and respond as quickly as possible.

Thank you for your interest in sending you student to Titan Robotics Camps!
